Indigenous Story Content and Participation

* indicates a required field

Diversity & Inclusion - Access

Form Preview

Screenwest supports the telling of Indigenous stories by Indigenous creatives and storytellers.

Where this is not the case we expect meaningful collaboration with the Indigenous communities whose stories they are.

Whenever there is Indigenous content and/or Indigenous community participation in the project, or when there are Indigenous members of the team who do not have the authority to speak for the people or place being represented in the story, you will need to follow the checklists from [Pathways & Protocols: a film maker's guide to working with Indigenous people, culture and concepts](#).

This includes a statement on how you are approaching the Indigenous content, (even if you believe the content is not specific to a community or individual), evidence of your collaboration to date and where relevant, signed letters of consent confirming community and/or individual's willingness to participate.

All projects involving Indigenous content or participation will be assessed by Indigenous Assessors.

Does this project contain Indigenous content, and/or the participation of, or collaboration with, Indigenous people? *

Yes No

For example: Does the project involve an Indigenous story or an Indigenous character? Or focus on an Indigenous person or community? Or use Indigenous communities or land as locations? Or draw on or refer to Indigenous culture and heritage in any form? Even if you think the Indigenous elements are incidental they should be outlined here.

Indigenous Story Content

Please select the Indigenous languages or language groups that your story content relates to: *

If relevant select more than one. The above provides a list of language names and the AIATSIS code from the Austlang Database. You can visit the Austlang Database to see more information about the languages you are selecting

Outline the level of Indigenous content (themes, characters, actors, locations) that you believe will be a part of the completed screen project. *

Why have you chosen to include Indigenous themes, characters, talent and/or locations in this screen project? *

How will you ensure the Indigenous themes, characters, talent and locations are represented respectfully and authentically (from development, to pre-production, shoot, post-production, delivery and marketing)? *

Key Creatives and Employment

Are any of the Key Creatives Indigenous? If the screen project has major Indigenous components, will you ensure there is an Indigenous Key Creative on your team? If not why? *

How many Indigenous people do you intend on employing in the development and/or production of this screen project? *

Collaboration and Rights

To date how have you collaborated with the Indigenous community on your screen project? Who from the Indigenous community have you collaborated with and can you provide a letter of agreement from them? What is your collaborative process with the Indigenous community with regards to this project going forward? *

If your project has Indigenous Cultural and Intellectual Property components in the storyline, how are you implementing legal frameworks to protect these rights? *

Screen Australia's Pathways & Protocols will provide more information about Indigenous Cultural and Intellectual Property (ICIP)

If this project is based on a real person or on a true story from an Indigenous community do you hold the necessary rights to the story, have you spoken to the relevant people about their representation on the screen and have they read the treatment/script/story materials that you have submitted? *
